BODY SOUFFLÉ

LoveBiome's Postbiotic Body Soufflé is a true skin rebalancing treatment that uses the power of postbiotics to diversify and strengthen the skin's microbiome.

HOW DOES IT WORK?

Postbiotic Body Soufflé contains a powerful blend of postbiotic impact ingredients that penetrate your skin's outer layers and feed and nourish the skin's microbiome. Postbiotics are byproducts of the reaction between probiotics and prebiotics, and they are full of healthy nutrients like Vitamin B and Vitamin K, as well as amino acids and antimicrobial peptides. Postbiotics help slow down the growth of harmful bacteria, and they help good bacteria flourish.

YOU'LL LOVE THIS

Postbiotic Body Soufflé is for everyone—women and men, girls and boys. If you have skin, this product is made for you. It's perfect for all skin types and ages, and should be used on the face, neck, body, hands, feet—everywhere you have skin!

WHAT YOU'RE GETTING WITH EVERY USE:

Postbiotic Impact Ingredients

Fermented Rice Sake
Fermented Yeast
New Generation Postbiotic Concentrate*
Exotic Plant-based Bacterial Strain*
Lactobacillus Fermentum
Cornflower Extract

**Proprietary*

Postbiotic Skin Conditioners

Edelweiss Flower Extract
Green Tea Extract
Shea Butter
Aloe
Coconut Oil
Beta Glucan

THIS IS WHAT YOU CAN EXPECT:

Postbiotic Body Soufflé has a pleasant, buttery texture. It is easily absorbed into the skin, and it won't leave skin greasy (no matter your skin type). The citrus fragrance is light and energizing.

With regular use, you can expect anti-aging benefits, stronger skin barrier, improved elasticity, powerful hydration, increased nutrient absorption, and smooth, radiant skin.

HOW TO USE:

Massage Postbiotic Body Soufflé into skin. Use all over to build, strengthen, and protect your skin's microbiome.

INGREDIENTS:

Aqua/water, centaurea cyanus flower water, methyl glucose sesquistearate, c9-12 alkane, cetyl alcohol, cetearyl alcohol, glycerin, glyceryl stearate, hydroxyethyl acrylate/sodium acryloyldimethyl taurate copolymer, caprylic/capric triglyceride, citrus aurantium dulcis oil / citrus aurantium dulcis (orange) oil, rice ferment filtrate / rice ferment filtrate (sake), butyrospermum parkii butter / butyrospermum parkii (shea) butter, saccharomyces lysate extract, cocos nucifera (coconut) oil / cocos nucifera oil, prunus amygdalus dulcis oil / prunus amygdalus dulcis (sweet almond) oil, lactobacillus ferment, aloe barbadensis leaf juice, mannitol, maltodextrin, leontopodium alpinum extract, camellia sinesis leaf extract, hydroxyacetophenone, ethylene brassylate, sodium stearoyl glutamate, xanthan gum, caprylyl glycol, 1,2-hexanediol, coco-caprylate/caprinate, butylene glycol, sodium gluconate, tocopheryl acetate, parfum / fragrance, polysorbate 60, sorbitan isostearate, benzyl alcohol, sodium metabisulfite, sodium benzoate, potassium sorbate, hydrolyzed beta-glucan, citric acid, citral, limonene, linalool.
